**THE ACORN (A weekly, Las Vegas, New Mexico, May 25 to June 8, 1875; a Full Surname Index)**

This microfilm contains only three issues: May 25, June 1, and June 8, 1875. It is microfilmed at the beginning of the microfilm entitled "The Evening Review Feb 20, 1882 to July 15, 1882, an Albuquerque newspaper. It is a full surname index of all names appearing in these issues of the newspaper, either in articles or advertisements.

**THE ALBUQUERQUE ADVANCE – (April 8 to May 22, 1880; A Full Surname Index)**

This is a microfilm of a weekly newspaper edited by A. M. Conklin. The microfilm contains only the dates April 8 to May 22, 1880. It is a full surname index of all names appearing in these issues of the newspaper, either in articles or advertisements.

**THE ALBUQUERQUE WEEKLY REVIEW – (April 28, 1883 to May 26, 1883; A Full Surname Index)**

This is a microfilm of a weekly newspaper. The masthead states this paper is in its 15<sup>th</sup> year, and starts here with No. 24. Bailhache & Company are proprietors and Thomas Hughes is General Manager.

**THE EVENING REVIEW – (February 20, 1882 through July 15, 1882; A Full Surname Index)**

This microfilm is dated February 20, 1882, through July 15, 1882. In addition, the microfilm company copied three issues of The Acorn, a newspaper from Las Vegas, New Mexico, dated May 25, 1875, through June 8, 1875, prior to the beginning of copying the Evening Review. Those three issues are indexed under the title "The Acorn" in this compilation. This is a full surname index of all names appearing in the Evening Review either in articles or advertisements.

**THE GALLUP GLEANER – (May 1, 1889 through April 25, 1896; Vital Statistics only – Births, Deaths, Marriages)**

This microfilm is dated May 1, 1889 through April 25, 1896. That is rather misleading in that much of that time period is missing. There are no issues included from

January, 1890, through October, 1891. Many issues are missing in other years, and most of the year 1895 is missing. But, I have indexed the issues that are present and found many vital statistics for that period of time.

This is a surname index of the vital statistics only – births, marriages, deaths.

### **RIO ABAJO WEEKLY PRESS: (January 20, 1863 through July 12, 1864; A full surname index)**

This microfilm is dated January 20, 1863 through July 12, 1864, with a few issues missing. In the first issue of January 20, 1863, Mr. Hezekiah S. Johnson, the editor and an attorney, explains his reasons for starting this newspaper and his hopes and aspirations for its continued success.

The images of the newspaper just suddenly stop with no explanation. End of microfilm reel. But in selecting the New Mexico Press as the next newspaper to index, I **find the next week, July 19, 1864, is printed under the name of The New Mexico Press**, and is edited by the same Hezekiah S. Johnson. That newspaper has an announcement that it is the same paper, but with a name change. *See the next newspaper listed here.*

The film has an acknowledgement at the beginning, as follows: “This book, formerly owned by William S. Burke, editor of various New Mexico newspapers and during the last years of his life, editor of the Albuquerque Morning Journal, is presented to the New Mexico Historical Society by his widow, Abbie U. Burke. Albuquerque, N.M., September 21, 1911”.

### **THE NEW MEXICO PRESS: (July 19, 1864, through October 4, 1864; A full surname index.)**

This newspaper opens with the first issue of July 19, 1864, and is edited by the same Hezekiah S. Johnson, who had been editor of the Rio Abajo Weekly Press, which is also indexed in this volume. **An announcement on the first page states that this is the Rio Abajo Weekly Press but that they have changed the name** at the request of some of the subscribers, who thought the paper should have a more general name of the territory and not just a section since the news was generally from the entire territory. It is also to be published in part in Spanish.

### **GENERAL INFORMATION:**

In an effort to conserve space the compiler has used the abbreviations of the various city names and events, as has been done in the other published indices completed by the Albuquerque Genealogy Society thus far. A complete listing of those abbreviations is included with this preface.

## **USING THIS INDEX:**

A column is included that contains an abbreviated name of the newspaper in which the material may be found. Each newspaper is found on a separate microfilm. These microfilms will be found in the Albuquerque Special Collections Library, and microfilm copies may possibly be found in the New Mexico State Archives or the University of New Mexico Archives. The abbreviation used for those newspapers in the index is as follows:
